

THE SPECTRUM

JULY - AUGUST 1969

SUMMER STAR PARTIES: As in past summers, we are looking forward to a good turnout at our star parties. The following dates have been planned (if clear, the first date applies; if the first date is clouded out, the second date applies. Note that the Solar Party at Semerau's is confined to a single date, weather permitting. All star parties start at dusk; the party at Semerau's between 10 AM and 3 PM - bring your own box lunch).

July 12 = Walter Semerau's Solar Party, one date only, weather permitting.
July 18/19 = Camp Sprucelands
July 25/26 = Newstead Observatory
August 1/2 = Christy's Honeyhouse Observatory
August 9 = Stellafane (check Sky and Telescope)
August 15/16 = Camp Sprucelands
August 22/23 = Les Stoklosa's POND "A" LOSA
August 29/30 = Newstead Observatory

SPY AND TELL: * Ed Lindberg was the only invited speaker at the convention of the Royal Astronomical Society of Canada's May 17, 1969 meeting in Toronto. Ed presented his "Story of Stellafane." He was wined and dined royally ... congratulations, Ed! *
* 2nd Lt. Orrin Christy will give a paper entitled "Amateur Radio Astronomy" at Stellafane on Saturday, August 9, 1969, at 2:30 PM, EDT. * During July the Museum will present a multi-media exhibit "Man Reaches for the Moon" ... it is scheduled to coincide with Apollo 11 and will trace lunar exploration from Galileo to Apollo 11.*
WE WISH ALL OUR MEMBERS AND READERS A VERY PLEASANT SUMMER * OBSERVING SECTION WILL RESUME IN SEPTEMBER * MEMBERS WILL BE NOTIFIED * WATCH OUT FOR EDITH'S FLASH * * * *
